

South African SCOUT ASSOCIATION

NATIONAL CUB CHALLENGE 2008

To: APC's Cub Programme (for action)
Pack Scouters (for action)
Provincial Commissioner's (for info)
Area Manager's (for info)
National Commissioner Scout Programme (for info)
Chief Scout (for info)

I'm sure you will agree that we live in a very beautiful part of the world. We are blessed with a great climate, amazing fauna and flora, majestic mountains – need I say more – but for how long? If we don't take care of this beautiful country we are all so proud of it will disappear.

In Baden-Powell's last message he said: "But the real way to get happiness is by giving out happiness to other people. Try to leave the world a little better than you found it.."

As "Enviro Cubs" let's learn to appreciate, enjoy and find ways to make our little part of the globe a much better place to live in.

"ENVIRO CUBS"

There are three sections to the Challenge:

"REDISCOVER"

Rediscover your environment by planning and enjoying an outing in the GREAT outdoors. Take a hike, swim in the sea, count the trees in a forest, watch butterflies, I could go on.....!

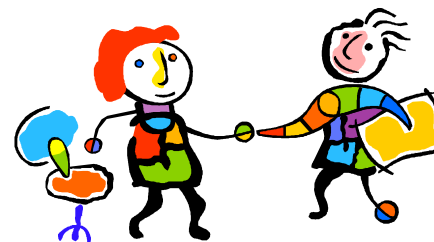

"RECYCLING"

Run the attached special pack programme and meet "**RECYCLABOT**". Remember this programme can be adapted to suit the needs of your Pack.

"REACH OUT"

Take part in a recycling project – from growing potatoes in old tyres, to collecting cans – the list is endless. Use the proceeds from your project to assist your community or give back to Scouting by assisting needy Packs in your Province.

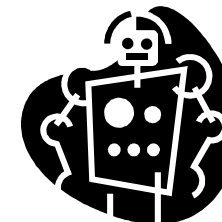

IMPORTANT POINTS FOR PACK SCOUTERS TO NOTE

To qualify for the certificate and badge you need to take part in all three sections. The Challenge closes on 30 September 2008 and all entries must be submitted to your Assistant Area Commissioner Cub Programme before 20 October 2008. Don't forget to send in any media articles and photographs.

Go out and make a difference!

Yours in Cubbing

Jeanette Angus
National Commissioner - Cub Programme
